The 32nd Annual Westbrook Together Days begins Friday afternoon, June 3rd at 4:00pm. This annual get-together features the best of Westbrook, local groups, local artisans, local service clubs, and great food. Plus live entertainment all weekend brought to us by **SAPPI**, our Sound and Stages Sponsor! Dance in the street Friday night with the one and only **Motor Booty Affair**. Nationally known, Motor Booty Affair brings their funk-adelic sound to light up Friday night for the third consecutive year.

Friday highlights include "Westbrook Idol" winner **Gabriella Latini**; "The Praise Fest" winner **Salvation's House** and Westbrook's favorite, **The Tony Boffa Band** is back by popular demand. We are lucky to have singer/songwriter **David Good** and the duo of **Punting Baxter** that will sooth your ear holes!

Saturday is sensational with national act **Rick Charrett and the Bubblegum band**; 80's Cover sensation **Time Pilots** with Meredith Manning of the Q Morning Show and Country legend and MCMA Hall of Fame Artist, **Al Hawkes**. Followed by an upbeat act with **The Tone Kings**, and **Jerks of Grass** who was voted "Portland's Best Roots-Acoustic" act seven times! **Pete Witham and the Cozmik Zombies** close the show with some rockabilly/psychabilly fun. Be sure to purchase your favorite artists CD and maybe even have them sign it at the event! Saturday night comes to a stunning conclusion with a vibrant fireworks display courtesy of **IDEXX LABORATORIES**.
